

WATAUGA RIVER

FAMILY FUN HALF DAY RAFTING ADVENTURE

The Watauga River winds its way through a remarkable wilderness of dramatic cliffs, twisted mountains, hidden waterfalls and breathtaking pastoral scenery. This ½ day rafting adventure down the Watauga River provides some of the best family river rafting in America. Whether it is our famous gourmet deli buffet lunch, taking the plunge off our famous jump rock or squirting your friends with High Mountain Expeditions signature water guns the Watauga River offers excitement and enjoyment for every member of the family.

The fast moving Watauga River is dam controlled ensuring consistent whitewater all season long. For the more adventurous, High Mountain Expeditions offers one and two person inflatable kayaks for some personal, paddling fun at no additional cost. The pristine waters of the Watauga River are crystal clear and offer abundant wildlife spotting opportunities. This trip requires no previous whitewater experience; you need only the desire to enjoy yourself. Additionally, every raft will have one of High Mountain Expeditions professionally trained guides.
